For Immediate Release

The Property Appraiser's Northwest Location in the City of Alachua

Let's hit the ground running. Starting Monday, February 22, 2021, the Alachua County Property Appraiser's office is expanding its operations to the Northwest side of the county.

By partnering with the City of Alachua, the Property Appraiser's services are more accessible for residents who may find this location more convenient.

This satellite office will have all the functions and capabilities as the main office. Assistance with filing for exemption services being offered includes Agriculture Classification, Blind, Disabled, Homestead, Over-65 Low Income Senior, Veteran Disability/Discounts and Widow-Widower. Other departmental services offered will include Customer Service and Exemptions, Tangible, Residential, Commercial, GIS and Title.

The new Northwest office hours are Monday through Thursday from 9:00a.m. to 4:00p.m., excluding holidays, and will be located at the City's Swick House at 15100 NW 142nd Terrace, Alachua, FL 32615. Hours of operation may be adjusted based on demand and/or seasonality.

We are extremely cognizant of the social disruption caused by the pandemic. For this reason, both offices are operating by appointment only. Appointments can be scheduled from our website at www.acpafl.org.
